

Since the 19th century, Bahamians played an integral role in the founding of the City of Miami, representing one-third of the registered signatories on July 28, 1896, date of the city's incorporation.

Much like Miami's original Bahamian signatories, Cornelia "Corky" Dozier's commitment to preserving the rich Bahamian culture and history of Miami has helped to ensure the designation of the Little Bahamas of Coconut Grove.

Madam Speaker, please join me in honoring Cornelia "Corky" Dozier for her contributions to the community and her role in the historic designation of the Little Bahamas of Coconut Grove.

TRIBUTE TO PETE SIEMENS ON HIS RETIREMENT FROM THE BOARD OF DIRECTORS OF THE MIDPENINSULA REGIONAL OPEN SPACE DISTRICT

HON. ANNA G. ESHOO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Ms. ESHOO. Madam Speaker, I rise today to honor Pete Siemens as he retires from his position as a Director of the Board of the Midpeninsula Regional Open Space District (Midpen). Pete represents Ward One which is comprised of the communities of Cupertino, Lexington Hills, Los Gatos, Monte Sereno and Saratoga.

Pete Siemens was first appointed to the Midpen Board in 1994. Since that time he has served with great distinction furthering Midpen's goal to preserve a connected greenbelt of more than 65,000 acres in the greater Santa Cruz Mountains region.

Pete Siemens was born in San Francisco and raised in the Central Valley. He earned a B.S. degree in math from Fresno State University and worked as a rocket test engineer. He is now a consultant in test-system design for medical implants.

Pete Siemens has given generously of his time and considerable talents to his community, serving as a Los Gatos Council member and as Mayor. He also served as a Los Gatos Planning Commissioner and on the Santa Clara County Transportation Commission. He volunteered in the restoration of the Grant Cabin, and he and his wife Diane volunteer at the Daniels Nature Center.

HONORING THE RETIREMENT OF RECORD-SETTING TRACK AND FIELD OLYMPIC GOLD MEDALIST ALLYSON FELIX

HON. KAREN BASS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Ms. BASS. Madam Speaker, today I would like to honor Allyson Felix, who lives in my

district, for her illustrious track and field career. Ms. Felix finished her 20-year international career by winning bronze and gold medals on U.S. relay teams at the July 15–24 World Athletics Championships in Eugene, Oregon. Ms. Felix holds the distinction of winning more medals than any United States track and field Olympian in history, male or female. She has competed and won in five straight Olympic games, medaling in Athens, Beijing, London, Rio, and Tokyo.

Ms. Felix joined the track team at LA Baptist High School in North Hills, California, mentored by Coach Jonathan Patton. During that time Ms. Felix ran the 200 meter in the Mexico City World Junior Championship, finishing with a time of 22.11 seconds, the fastest recorded time for a high school girl in history.

She won her first silver medal at the 2004 Summer Olympics in Athens while enrolled at the University of Southern California. She went on to graduate with a degree in elementary education.

Her "firsts" continued when, at the 2005 Helsinki World Championship, she became the youngest person to win in the 200 meters race. Two years later she defended that title at the 2007 Osaka World Championships and became just the second female athlete to win three gold medals at a single IAAF World Championship in Athletics.

She has also used her platform to speak out on disparities in pay for athletes during and after pregnancy, and disparities in care for Black people giving birth. Her 2019 New York Times op-ed on pregnancy pay discrimination prompted public outcry and a Congressional inquiry. That year, Ms. Felix also testified before the House Ways and Means Committee on Black maternal mortality after suffering life-threatening pre-eclampsia while carrying her daughter.

Ms. Felix has won a total of eleven Olympic medals: one bronze, three silver, and seven gold, including her most recent gold and bronze medals at the Tokyo Olympics. The Nation, our state of California and our city of Los Angeles can feel justifiably proud of her accomplishments both on and off the field.

HONORING THE LIFE OF DALE JOHNSON

HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Mr. KILMER. Madam Speaker, I would like to take a moment to commemorate the life of Dale W. Johnson—a leader of the Makah Tribe who recently passed away.

Dale Johnson served as Chairman of the Makah Tribal Council and the Northwest Indian Fisheries Commission. He led efforts to restore the Makah halibut, black cod, and whiting fisheries. Dale was also active within community sporting activities including basketball, football, and the traditional war canoe races. I was grateful for his partnership, and I was always honored to work with him on the critical issues impacting his Tribe.

I am humbled to speak in recognition of Dale. I join his family and the Makah Tribe in mourning his passing, but also in recognizing that his good work will contribute to the community for generations to come.

RECOGNIZING THE GROUND BREAKING OF CONCOURSE A AT KEY WEST INTERNATIONAL AIRPORT

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Mr. GIMENEZ. Madam Speaker, I rise today to celebrate the groundbreaking of Concourse A at Key West International Airport (EYW). As the proud representative of Florida's 26th Congressional District, I fought hard to include crucial funding for Monroe County, including the nearly \$40 million in federal grants for this airport expansion project at EYW. This new concourse will augment the airport's enplanement capacity, making it a vital project for the residents, tourists, and businesses in the Florida Keys.

Monroe County, whose Board of County Commissioners unanimously approved plans for the project in August, has big plans for Concourse A. Totaling nearly 49,000 square feet, it will contain expanded baggage areas and concession opportunities, seven new passenger boarding jet bridges, and more office spaces. New airline ramp spaces and ramp equipment storage areas will also be housed below the new concourse. Clear story windows and a curtain wall system will provide plenty of natural light for all airport users to enjoy. The airport's main terminal will also be expanded, with renovations to accommodate space for four new security lanes and added support spaces at the existing restaurant location, among other improvements. An extended pedestrian bridge, located after Concourse A's security checkpoint, will connect the new concourse with the main terminal.

Millions visit the Florida Keys every year, and Key West International Airport plays a crucial role in facilitating much of that tourism.

Just last year, the airport set an annual record when it processed over one million passengers. This new, state-of-the-art concourse will give the airport much-needed space to welcome and process travelers, which will help remove some car traffic on U.S. 1 while giving locals even more nonstop flight options to other parts of the country.

It is my honor to represent Monroe County in the U.S. House of Representatives. Key West is one of the top destinations in the country, and this development project will help even more people experience it for themselves. I applaud all the individuals who worked so hard to make Concourse A reality, and I very much look forward to its completion.

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Mr. FALLON. Madam Speaker, I am honored and privileged to award Chief Petty Officer John Turner Jr. with a Congressional Veteran Commendation. His service and sacrifice through the United States Navy exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. Chief Petty Officer Turner is truly an ideal candidate to receive the Congressional Veteran Commendation.

Chief Petty Officer Turner served in the Navy as a Cryptologic Technician Technical. With such a talented mind in intelligence and cryptology, Chief Petty Officer Turner assisted with airborne, shipborne, and land-based radar signals.

Chief Petty Officer Turner's tenure in the military consisted of time aboard submarines and surface ships in many locations across the world. From Guam, Germany, Japan, and across many stops from sea to shining sea across America, Chief Petty Officer Turner served with no complaint wherever he was deployed.

Chief Petty Officer Turner used his impressive skill set in operating electronic intelligence-receiving and direction-finding systems, digital recording devices, and analysis terminals. American intelligence is the best in the world because of brilliant patriots like Chief Petty Officer Turner.

Since his retirement from the military, Chief Petty Officer Turner has been an active member in the community with active involvement as a Commander in Hunt County Chapter 81 Disabled American Veterans, as a councilman on the Greenville City Council, and as a service officer connecting veteran families to benefits they earned.

I am beyond honored to have Chief Petty Officer Turner in Texas' 4th Congressional District and am privileged to award such a distinguished citizen for his sacrifices.

HONORING JANET ARNOLD REES

HON. GREG STANTON

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Mr. STANTON. Madam Speaker, I rise to honor the life and legacy of Janet Arnold Rees. Janet was tirelessly devoted to our community and made it a better place to live through her work as a teacher, theatre producer, entrepreneur, and social worker.

Janet and her family moved to Phoenix in 1957, and she quickly immersed herself in the community. It was through her experience in Jewish youth organizations that she learned the value of making connections between people. She believed in the power of a community and made it a constant theme of her work.

Janet had a creative spirit that helped her inspire others, combat anti-Semitism, and create change. In 1988, she founded the award-winning Arizona Jewish Theatre Company, a point of pride in the Valley and where she served as producing director for 24 years. It was a staple in the performing arts scene and produced plays meant to reflect diverse views within Judaism. The AJTC brought people of all walks of life together—from its cast to its audience—and challenged us all to reject hatred.

Even after the AJTC closed its doors, Janet's boundless passion for serving her community continued, and she joined the Jewish Family & Children's Service. It was there that she continued to change peoples' lives by empowering them through resources that gave them stability and peace of mind. Janet worked closely with seniors, and after the COVID-19 pandemic left many isolated, her creativity led seniors to the internet. It helped many reconnect with loved ones and continue to enjoy special moments with their friends and family.

Janet touched so many lives and leaves behind a legacy that will be felt by generations. We join her loved ones in grief and gratitude, thankful we bore witness to her work. Godspeed, Janet.

IN RECOGNITION OF PHILLIP
BERENBROICK AND HIS SERVICE
TO THE HOUSE JUDICIARY COM-
MITTEE

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 10, 2022

Mr. NADLER. Madam Speaker, I rise—along with David Cicilline, Chair of the Subcommittee on Antitrust, Commercial, and Administrative Law—to thank Phillip Berenbroick for his service to the Committee on the Judiciary.

Phillip came to the Committee after serving as Policy Director at Public Knowledge. Prior to that, Phillip was the Policy Director at the Internet Freedom Business Alliance, and an attorney at Hogan Lovells US LLP, among other roles. Phillip received his B.A. from Tufts University and his J.D. from the University of Pennsylvania Law School.

Phillip joined the Committee in 2020 as Counsel to our Subcommittee on Antitrust, Commercial, and Administrative Law. For over two years, he played a critical role in advancing the Subcommittee's priorities. As Counsel, Phillip helped develop a breadth of legislation addressing key issues, from tackling the rise and abuse of market power online, to modernizing the Administrative Procedure Act, to supporting local newspapers and broadcasters during the pandemic. His commitment to protecting American consumers and workers was further reflected in his work conducting oversight of federal agencies, as well as investigating mergers that raise significant antitrust concerns.

Phillip was essential in the Subcommittee's 16-month investigation into the state of competition in the digital economy, with a focus on the challenges presented by the dominance of Amazon, Apple, Facebook, and Google. As part of the small team conducting one of the most comprehensive probes into corporate power in the 21st century, Phillip brought his dedicated work ethic as the lead attorney responsible for investigating Apple. He helped review numerous internal documents and communications from the investigated firms; met with antitrust experts; and assisted with interviews of more than 240 market participants, former employees of the investigated firms, and other individuals. His work was critical to much of the Subcommittee's achievements. This included preparing Members for a hearing with the CEOs of Amazon, Apple, Facebook, and Google, and the publication of a Report entitled "Investigation of Competition in Digital Markets: Majority Staff Report and Recommendations," which the Committee on the Judiciary formally adopted in April 2021. He was also instrumental in helping to secure Committee passage of a suite of legislation to restore competition online in June 2021.

Throughout all of his work, Phillip brought his passion for a more just society and his commitment to excellence. Our Committee, Congress, and the American people greatly benefited from his service.

While we will miss Phillip greatly, we are glad he is not going far, and is continuing his career in public service as a Senior Counsel to Senator Robert Menendez of New Jersey.

We thank Phillip Berenbroick for his service to the Committee and wish him the best of luck with this new chapter.
